
Civil Rights in Oregon

Gallery Walk

- What do you think were some injustices (an act that inflicts undeserved hurt) African Americans experienced in Oregon?
- Do you think you would fight injustice if it happened to you? Or someone you loved? Explain.
- Dr. Martin Luther King Jr. once said, "*Injustice anywhere is a threat to justice everywhere.*" What does he mean by that statement?

Homework/Honors Credit:

Create a collage of Oregon African Americans from 1900's-1970's in Google slides and then share your Google Slides with your teacher. The slides will be ordered in the following manner...

- Slide #1-Title page: Title, your name, period, date.
- Slide #2-Collage of African Americans from 1900's-1970's.
- Slide #3-Quote about/from an Oregon African American.
- Slide #4-Explanation about which event/person from the era the you find most interesting.
- Slide #5-Explanation about which event/person from this era you believe is the most significant to Oregon history.

Please be prepared to share these presentations with the class!
