

# Day Four: Intro to Instagram Assignment

---

This day is designed to allow students to take the learning that they have learned through the last three days and create a product that shows their learning.

---

## Essential Questions

- ❖ Why is it important to study Black explorers?
  - ❖ How can these explorers be celebrated throughout time?
-

## Procedure

### 10 mins | Warm-Up

Have the students respond to the following:

- How have Black explorers impacted Oregon?
- What is a way that we can honor their impact?

### 10 mins | Launch Instagram Assignment

Give students access to either the online or print version of the assignment. Students will be creating three “Instagram” posts based on Black Oregon explorers. They can use the explorers that were discussed throughout the unit or for a provided challenge there are additional explorers and resources provided at the end. Students should be referred to not only their notes that they took along the way but they should be examining the sources that they were provided.

### 30 mins | Instagram Assignment

Students will work on their assignment

### 7 mins | Exit Ticket

Have the students respond to the following:

- Has there been an additional fact that you have learned during your research?
- What do you think that everyone should know about Black explorers?
